## About CMC

Established in 1973, CMC occupies a leading position in the UAE, supplying and servicing equipment to a diverse range of industries and commercial undertakings covering the construction civil engineering, industrial manufacturing, roads, oil & gas, landscaping, mining and warehousing sectors.

## Profile

Operating through two branches across the UAE. (Dubai & Abu Dhabi). The company supplies premium machinery solutions such as Construction Machinery, Concrete Equipment, Road Machinery, Crushing Plants, Concrete Batching Plants, Material Handling Equipment, Oil Field Equipment, Industrial Air Compressors, Agriculture Equipment, Airport Equipment and Power Generators.

CMC is the sole distributor in UAE for world class suppliers such as Schwing Stetter, Ammann, Merlo, Bobcat, Silla, Lissmac, Pramac, Chicago Pneumatic & LAE. With excellent service and parts back-up, the aim of the company is to maintain an exceptionally high standard of service to our customers and fulfill their needs in all areas of our operation.

# Member of RTS Investments Group

RTS Investments Group covers many sectors of business in the Middle East and has become a leading corporation across a multitude of fields. Headquartered in Dubai, United Arab Emirates, the Group employs over 2000 people, and a further 25,000 people at its affiliate in the Middle East.

The Groups diverse portfolio of companies has been integrally involved in modern landmarks and recognizable flagships projects in the UAE and across the Middle East, United Kingdom, United States, Barbados, India and Kazakhstan.

With proven competencies in Hospitality, Food and Beverage, Trading, Construction, Mining and Real Estate, we shape memories and accomplish landmark projects.

Under the leadership of the Group Chairman Riad T. Al Sadek, the Management Board implements the strategic objectives and resolutions of the Board of Directors and manages the operating activities of RTS Investments Group.

CMC is one of the commercial arms of the RTS Investments Group and has been a leading market distributor of Machinery Solutions since 1973.

The word people for CMC stands for:

- Proud
- Eager
- Organized
- Professional/Passionate
- Learning
- Excellent

# HISTORY

CMC has been in the business of supplying and servicing Construction Machinery to the region and abroad since the early 1970s. Our unique heritage shapes the way we do business today.

Mr. Riad T. Al Sadek is a distinguished name in the Middle Eastern construction industry. A Civil engineering graduate of the American University of Beirut. In 1973, after realizing a need in the market for a reliable supplier of top brand machinery in the U.A.E, Construction Machinery Center (CMC) was formed.

Today the company leads the Commercial arm of the RTS Investments Group and has grown to become one of the leading construction machinery suppliers in the MENA region with an extensive range of capital machinery and equipment. Soon after its inception, CMC became the sole distributor of the Schwing Stetter, Ammann, Bobcat and Silla brands, all relationships still strong up until today.

With over fifty years of Industry expertise, and a network of branches and machinery experts across the U.A.E, CMC has earned its reputation as a trusted machinery supplier in the Construction Industry that supplies only high-quality machines and original spare parts.
